Sorry - here are the bills and regulations. SB 166 and HB2283 are the same - HB 2283 is the one that is being signed. I am attaching clean versions of HB 2238 and SB 357, as well as versions with relevant language highlighted.

Are there specific key pages in the Rule 47 CSR 30 and SB 357 documents that we should review for our lpm meeting? They are both over 60 pages long. Any roadmap would be helpful. Thanks.
